

13 oz. PET Gray Back Anti-Curl Banner

Top Value Fabrics 13 oz. PET Gray Back Anti-Curl Banner is a reinforced banner material manufactured with a blockout polyester film and a PVC layer fused to the top. It is the perfect choice for all indoor banner or display graphics applications. The gray back is light blocking to prevent image washout when displayed with bright back lighting or sunlight.

This product was engineered to be a super smooth choice for display applications, roll-up banners, and interior high-end POP displays.
